... A
book?

LIFT..

In a place
like this?

This book...

Lamia

The ninth Gourmet, Lamia

She is depicted in mythology as an evil woman who is fond of children and their blood. Using her ability of transformation, children are lured in, lost, and never again to feel the warmth of their parents' embrace.

.....
Wrong again.

What a waste of time.

Reckless destruction

Just where is she hiding?

It's
no
use.

Well,
fools are
supposedly
brave...

You
should
give up.
Fufu...

O~
ho
ho
ho
!!

It will be
difficult for
you to find
even a speck
of me with
such hasty
tactics.

...
Alright!

CROSS!

RUMBLE~

We'll
show
her!

Could
you lend me
a hand?

Get away from
him right now!!!

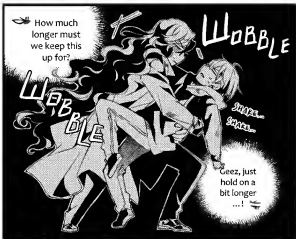

How much
longer must
we keep this
up for?

WOBBLE

WOBBLE

Wobble
Wobble

Geez, just
hold on a
bit longer

Still

Then how
about-

TAP

FALL

THUD

.....?

Hoo

Hoo

Be
quiet.

A T should
behave
like a T!!

A B like
a B!!

*Reverse: Reversing the roles

Well well... So that's
where you are...?

Calm
down!!

I think
it'd be better
if we don't
get involved
from here
on.

Let's leave it
to those two.

I think
I've got it.

Your
weakness
that is.

The reason why you went as far as to disguise yourself and go to an empty library in a different neighbourhood.

The reason why you couldn't give up on the book

even though you hate men.

The reason why this book you managed to borrow through all those hardships is here.

You

are a closet fujoshi, aren't you?

The rest is obvious.

...How
can this
be.

Was my
cit cosplay
not good
enough?

*Full cosplay:
citizen cosplay*

I've been in charge
of the BL section for
a week, so don't you
underestimate me.

You
fujoshi.

Fujoshi: Women who enjoy novels or anime depicting gay relationships

What?
fujoshi? Cit
cosplay?
fujoshi
???

England, 1870.

I was
engaged to
my beloved.

Every day
I looked
forward to
the promised
felicity.

However, all my hopes
were crushed on that day.

...Jack?

Forgive
me!!

This man
is my true
love!!

My fiancé's affair, a broken engagement,
and the coming out of his sexuality...

After living like
a dead person
for a month,

I once
again

lifted my pen.

I will shame
you with my
talent!!

And that is
how I entered
this world.

I feel sorry for
him even though
he's the one at
fault.

But,

ONCE YOU
ENTER, YOU
CAN NEVER
LEAVE.

It was impossible
for me to step
away from it.

After I became
a gourmet,

I could see it.

I found myself instinctively
pairing up all the men I see!!!

Be it on
the streets,

in books

or in theatres...

...I cannot
live like
this!!!

Perhaps if I kept
my eyes shut...

An angel

appeared
before my eyes.

I was saved by a
purifying ray of light.

Blood of
innocent boys...

will purify me
who has been
corrupted with
desires

The finest
delicacy!!

May you
remain pure

the way you
are forever...

Oh~ She's
talking about
BL, isn't she?

...Hay, beat. Why do you know about that...

Secret division's secrets
are not to be shared
with the public.

Well... My mum loves them.

My only ray of light...

is disappearing!!!

Corrupted by reality

SANDRA

My light...
my only haven...
now that I've lost it,

I can no longer purify
my corrupted self...

I can't continue
to live like this!!

...Olivia?

Tap

Tap

Are you
kidding
me?

You wanted
to stay in this
world with
such a fragile
mentality?

Fwooo

Don't you
dare take it
lightly!

If your
path is
blocked,

you just
need to find
a new one.

How
about me?

My new... world?

NEW. WORLD.

You are
cordially invited
to my prison.

MI-MISTRESS!!

...Okay.

Guinea pig
No.1 for my
new prison,
gotcha
♥!!

Meltette

Mr Carvel♥
Time for the
finale.♥♥

Mentally
exhausted

...Are you done now?

Arrest.

...with their
present ability.

They still break
down from a
single weakness.

Somehow, they
seem weaker
than humans.

I've erased his memory, he will think it's merely a dream once he wakes up...

This address should be in the library members' registration file, so we'll take him home.

See you tomorrow~

Just one thing left...

Hey, where do you live?

It's not
'Hey'. I shall
be addressed
with 'Sir',

Grey-
headed.

H-huh?

His persona
seems different
from before.

I've
got someone
coming to pick
me up

So mind
your own
business

Hey

Rather

you played
your part quite
well, despite
being a mere
human... And there I
thought you were
just a waste of my
money...

OUCHIEE!!

What's
with this
runt
...?!

SQUEEZE

Mr. Chairman.

What?

Whaat?

...
WHAAAAT
?!!

...Hm?
You're still
here?
You may
leave now.

Bow

Yes Mr
Chairman

You
impertinent
prick!!!

Eek...!!

K
KLACK

Allow me
to properly
introduce
myself.
I am the
representative
of Conrad.

Also
sponsoring
the library.

This is
my butler.

My
name
is
Hoon.

He merely
has the
appearance
of a child,

... Which means...

in truth he is
an old pervert
who has lived
for much longer
than me

To think the
best is the top
dress and the
source of my
income...

he's a vampire!!

However, I am
of the ordinary
kind that are weak
to sunlight, and
dislike silver
crosses and
garlics.

Well... I was
just wondering
how the
library was
doing...

Just what on
earth were you
thinking, when
you decided to
become
the bait?

And...

SHIP

You're even
stalking him?!!

SHIVER

I also wanted
to show off my
collection...!!!

HEHEHE~

SWISH

On that note,
the costumes
that I'd like
to add into the
collection
have arrived.

You'll wear
them for me in
return for that
time, right?

... Damn it, I came
at a bad time!!

Please
come out
when
you're
ready

A black and white manga-style illustration of three characters standing in a forest. On the left, a man with long, light-colored hair and a dark coat with a high collar and decorative buttons looks towards the center. In the middle, a man with long, dark, wavy hair and a dark coat with a high collar looks forward. On the right, a woman with long, dark hair, wearing a dark dress with a large bow and a headband, looks towards the center. A speech bubble from the woman on the right contains the text "Ooh~ Bravo!!". The background shows trees and foliage.

Ooh~ Bravo!!

Vampire Library

Of course,
I will join in
as well.

Ufu~

CLAP
CLAP

What do
you think?
Won't they make
wonderful
uniforms?

Over my dead body!!

Certainly
not.

Well I'm going to
borrow Carvel for a
bit, as we've got some
matters to discuss, if
you'd excuse us.

Hoon, escort our
guests to the parkour
and see that they are
well taken care of.

Don't forget
to take some
photos...

Of course,
Sir.

Klick...

The 'hunters'
are acting
suspicious.

Hunters and vampires
have been natural enemies
since the old days. However, as
you are aware, we have been in
an uneasy truce focusing our
force on mutual enemies, the
Gourmets.

Hunter

Gourmet

But recently,
that truce was
broken.

The hunters
have gained interest
in mutants, and have
been carrying out
investigations
behind our backs.

Investigations
...?

A close-up, black and white illustration of a character's face. The character has short, dark hair and is looking slightly to the side with a serious expression. A speech bubble is positioned to the left of the face.

In short,
a 'spy'.

A full-body, black and white illustration of a character seen from behind. The character is standing in a dark, smoky environment, looking back over their shoulder. They are wearing a light-colored, long-sleeved jacket with a dark collar and dark pants. A speech bubble is to the left, and another is to the right.

It
might be
possible

for a human
residing in
the library.
